

Sean A. September, 51, of Bristol, passed away peacefully on April 29, 2022, following a long battle with cancer with his family by his side. He was born on November 25, 1970, in Springfield, MA, to Albert September and the late Sheila (Sugrue) September. Sean was a project manager for Cigna Healthcare until his forced retirement due to his illness. He spent his last year doing what he loved most, playing golf with friends. He was passionate about playing darts and traveling but what he lived for most was his family and friends. Sean enjoyed many nights sitting around a bonfire with those he loved most. Sean is survived by his devoted and loving wife, Carrie (Lehmert) September; 4 children and their partners Justin Lozier (Katarina), Kailin Lozier Ciarcia (Jake), Jenna September (Jesse), and Evan September (Katelynn); 7 grandchildren Arianna, Trever, Peytin, Jayce, Zoey, Dax, and Eli; his father and stepmother Albert and Donna September; 2 siblings Alan September and wife Amy and Cara (September) Mills and husband David; his parents-in-law Richard and Lynda Lehmert; 3 siblings-in-law and their spouses Amanda Killian (Joe), Aimee Butler (Greg), and Christopher Lehmert (Shelli); and countless friends which he loved dearly. Calling hours will be held on Wednesday, May 11th from 4PM to 6PM at O'Brien Funeral Home, 24 Lincoln Ave., Bristol, CT 06010. In lieu of flowers, donations may be made in Sean's memory to the [American Cancer Society](https://www.cancer.org) in CT, 111 Founders Plaza, East Hartford, CT 06108 or online at <https://www.cancer.org>.

Sean was very active in Bristol's Community Emergency Response Team (CERT) participating in many events and was key in hauling the CERT trailer to the different activities CERT was at. Even though Sean was very dedicated and always willing to be a team player, Sean enjoyed being a "jokester" and pranking the team. This funny side of Sean always lighten the task and mission of CERT. We will miss Sean and his silliness side.
